Home Banking Issues....In November we were made aware of a problem some members were having with home banking receiving an insecure website message. Our website is a secure site for our members to use. This message is popping up due to issues with Google Chrome on Windows 10. We hope to have this resolved by early 2019, but if you do still have this problem, we are advising you to use Internet Explorer, Edge, Safari, or Firefox until we have an update for Google Chrome.

Do you know we have mobile banking? We now offer mobile banking to members who have home banking with us. With this app you are able to check your account balances, transfer money within your account and also make mobile deposits. For those members using mobile deposit, remember the back of the check should be signed and have the endorsement read "For Mobile Deposit Only Allegheny Kiski Postal FCU."
